

#	File Name	Duration	Season	Sample Rate	Notes	Tags
1	Approaching Thunder by a Stream No Rain	0:13:53	Summer	96000	Distant approaching thunderstorm recorded from a forested river.	Thunder, Lightning, Stream, Forest
2	Babbling Brook	0:05:04	Summer	96000	Gentle flow of water cascading through the forest.	Brook, Stream, Water
3	Beautiful Light Rain Dripping with Birds in a Swamp	0:06:10	Spring	96000	Extremely light rain dripping into Atlantic White Cedar swamp wetland with calling birds in the background.	Rain, Dripping, Birds, Swamp, Wetland
4	Buried Under Snow with High Winds	0:04:25	Winter	96000	The sounds of falling snow and wind captured by a field recorder buried several inches beneath the surface.	Wind, Snow, Winter
5	Calling Birds in a Cedar Swamp	0:04:58	Spring	96000	Afternoon recording of an Atlantic White Cedar Swamp in Massachusetts.	Birds, Swamp, Wetland
6	Calling Katydid at Night	0:09:00	Summer	88200	Katydids calling with crickets in the background. Speed of calls slows as the temperature drops.	Katydid, Night, Insects
7	Cicada Calls and Gentle Stream	0:01:55	Spring	48000	Buzzing cicadas in trees with a gentle stream flowing in the background.	Cicada, Insects, Stream, Water
8	Copes Grey Tree Frogs and Birds at Dusk	0:01:54	Spring	48000	Calling frogs in a forested environment. Windy with background birds.	Frogs, Birds, Dusk, Evening
9	Creaking Trees in Wind	0:02:56	Winter	96000	Wind blows through a winter forest making nearby trees creak as they sway back-and-forth.	Wind, Trees
10	Crickets and Katydid at Night	0:01:58	Summer	96000	Mid-summer insects at night. Faint flowing stream in the background.	Crickets, Katydid, Insects, Night
11	Crickets and Woodpecker at Dusk	0:03:02	Autumn	96000	Forest ambiance at dusk. One cricket and drilling woodpecker with background wind.	Crickets, Woodpecker, Dusk, Evening
12	Crickets, Katydid and Babbling Brook at Night	0:09:00	Autumn	96000	Long recording of babbling brook in the forest at night with calling insects.	Water, Insects, Crickets, Forest, Night
13	Crickets, Woodpecker and Birds at Dusk	0:22:59	Autumn	96000	One cricket calling throughout recording. Joined by woodpecker, calling and flying birds and gentle background wind.	Crickets, Woodpecker, Birds, Dusk, Evening
14	Dawn Chorus Birds and Bullfrogs	0:23:36	Summer	96000	Beautiful dawn chorus on a river with bullfrogs, jumping fish and many birds.	Dawn, Chorus, Birds, Frogs, River, Pond
15	Dawn Chorus Birds Near a Forested Stream	0:15:37	Summer	88200	Dawn chorus in the woods with a babbling brook. Recorded in Minerva, New York.	Dawn, Chorus, Birds, Forest, Stream
16	Detailed Gentle Stream Flow	0:09:00	Autumn	48000	Slow flowing stream section with a waterfall in the background. Calling birds audible.	Stream, Flowing, Water
17	Distant Thunder and Water Dripping from Forest Canopy	0:05:00	Summer	96000	The aftermath of a thunderstorm in the forest. As the thunder drifts away, water drips down from the canopy onto the forest floor.	Thunder, Rain, Dripping, Forest, Afternoon
18	Empty Winter Wind at Night	0:06:21	Winter	96000	Winds whip through a barren winter forest at night. Just the sound of wind and some leaves rustling occasionally.	Wind, Winter, Forest, Night
19	Fast Flowing Forested Stream	0:05:00	Autumn	48000	A high flow section of Matthews Creek in South Carolina.	Water, River, Flowing
20	Fast Flowing Stream in a Forest with Birds	0:07:22	Autumn	96000	A high flow stream parcel with birds and waterfall in the background.	Water, River, Flowing, Birds
21	Gentle Wind on top of a River Valley	0:11:00	Autumn	96000	Steady, gentle winds blowing over peak looking down on the Chattooga River in South Carolina.	Wind, Valley, Mountain
22	Glass Forest of Ice Highlights	0:03:27	Winter	96000	The sound of ice crystals snapping, falling from trees, and shattering on the forest floor days after a severe ice storm in the Green Mountain National Forest, VT.	Wind, Ice, Winter
23	Glass Forest of Ice Long-form	0:13:44	Winter	96000	The sound of ice crystals snapping, falling from trees, and shattering on the forest floor days after a severe ice storm in the Green Mountain National Forest, VT.	Wind, Ice, Winter
24	High Flow Forested River Flowing	0:13:16	Spring	96000	Detailed and relaxing forest stream in the Pisgah National Forest.	Forest, River, Water, Flowing
25	Hiking at Dawn in a Cloud Forest with Birds	0:01:24	Summer	88200	Walking at 4500' elevation at 5am. The air is completely still and the calls of mountain birds ring through the mountain.	Hiking, Footsteps, Walking, Morning, Birds
26	Hiking Out of a River Valley	0:07:14	Summer	96000	Recording of a journey from the bottom of a river valley to the top of a ridge.	Hiking, Walking, Footsteps, Forest, Valley
27	Hiking Upstream in an Old Growth Forest	0:04:12	Summer	44100	Walking through a forested river and on top of dense duff layer of decomposing leaves.	Hiking, Footsteps, Walking, Forest
28	Insect and Frog Night Ambience	0:05:23	Summer	96000	Early summer insects and frogs calling from a large field.	Insects, Night, Frogs
29	Light Rainfall on Forest Floor	0:05:00	Summer	88200	Gentle rain falling on forest floor in the early morning in upstate New York.	Rain, Forest
30	Medium Flow Stream	0:17:05	Spring	96000	Relaxing forest stream recorded in the Sumter National Forest.	Water, Stream, Flowing
31	Medium Flow Waterfall in a Forest	0:16:00	Spring	44100	White noise recording from just downstream of a waterfall.	Water, Stream, Flowing, Forest
32	Mosquitos & Woodpecker Near Forest Brook	0:05:00	Summer	88200	Uncomfortably close, buzzing mosquitos in a forest with birds and a babbling brook.	Mosquitos, Woodpecker, Forest, Stream
33	Musical Flowing Ice Melt Water	0:03:00	Spring	44100	The complex and varied tones of this stream remind me of musical notes.	Water, Stream
34	Nightfall on a River Birds, Fish and Frogs	0:10:47	Summer	96000	Dusk on the Chattooga River. Jumping fish, calling frogs and singing birds bring the day to a relaxing end.	Night, River, Birds, Fish, Frogs
35	Rain Shower with Distant Rolling Thunder	0:10:42	Summer	96000	Light rainfall with rolling thunder.	Rain, Thunder, Lightning
36	Spring Peeper and American Toad Chorus at Night	0:07:30	Spring	44100	Common night sounds during spring time in South Carolina.	Frogs, Toads, Night, Wetland
37	Spring Peeper Cresendo Chorus	0:03:33	Spring	44100	This chorus of spring peepers starts off with a few individuals and slowly builds to a thunderous chorus of individuals.	Frogs, Night, Dusk
38	Talking Trees in Windy Woodland Excerpt	0:01:57	Winter	44100	Trees bending and squeaking in intense, howling winds.	Wind, Forest, Trees
39	Talking Trees in Windy Woodland Full	0:03:00	Winter	44100	Trees bending and squeaking in intense, howling winds.	Wind, Forest, Trees
40	Thunder in the Woods with Birds No Rain	0:04:32	Summer	96000	Distant thunderstorm approaching a forested stream ambiance with calling birds.	Thunder, Lightning, Birds
41	Thunderstorm in a Forest	0:01:18	Summer	96000	Rain, thunder and tree frogs in a forest.	Thunder, Lightning, Rain
42	Trickling Stream with Birds	0:01:11	Summer	88200	Barely flowing stream in the woods with calling birds and wind in the background.	Trickling, Water, Stream, Birds
43	Trickling Water Stream in a Forest with Birds	0:00:59	Summer	96000	Dripping/trickling stream in the woods with active birds and background wind.	Trickling, Water, Stream, Birds
44	Turbulent Stream in a Forest	0:09:00	Spring	48000	Fast flowing forested stream in the Sumter National Forest.	Stream, Turbulent, Forest, Flowing, Water
45	Up Close Stream	0:05:00	Spring	48000	Detailed recording of a gentle stream flowing with a high flow section of water in the background.	Stream, Water, Flowing
46	Walking up a Stream into an Old Growth Beech Forest	0:13:15	Autumn	44100	Recording starts at a forested river and continues into an old growth beech forest with thick layer of decomposing leaves.	Walking, Hiking, Footsteps, Forest, River, Leaves
47	Walking Up and Down a Forested Stream	0:08:33	Autumn	96000	Many closeup recordings of different sections of a forested stream.	Walking, Hiking, Footsteps, Forest, River
48	Water Dripping into River after Rain Shower	0:03:52	Summer	96000	Beautiful river ambiance after a rain storm. Chattooga River, South Carolina	Water, Dripping, Rain, River
49	Windy Morning Bird Calls on Mountain Peak	0:04:17	Autumn	88200	Dawn chorus at 4500' elevation. Not many species active on this cold, foggy morning after a severe rainstorm.	Wind, Forest, Birds, Mountain
50	Winter Wind and Snow at the edge of a Wetland	0:13:11	Winter	96000	Cold winter winds blow snow through a forest surrounding a wetland. Chirping birds in the background and occasional dripping sounds as forest debris falls into the wetland.	Wind, Snow, Winter, Wetland
51	Winter Wind from Atop a Hill	0:04:50	Winter	96000	Powerful winter winds whip through a forested landscape during a snowstorm.	Wind, Snow, Winter
